RE: APPLICATION FOR A BORE HOLE

Dear father, in reference to our meeting with you the following are the details you requested for.

1. St. Jude Wakataama R/C Primary School is school having a 100 orphans and widowers and most of these parents to our pupils are peasant farmers with low incomes .
2. The school is located in Kito sub-county, Kito parish and Wakataama local council one .This school is under Kiwoko parish found in Nakaseke district Luweero diocese its along Kiwoko -Kitto road . And its about 20km from Kiwoko parish to our school .
3. There is a challenge of water in the area. The only water source are valley dams. So you find people in the community and the pupils at school share the same water with the cattle /animals.
 - ✓ The school and community has no safe water source the water used is collected from swamps of about 11 kilo metres from the school.
 - ✓ This disturbs the pupils performance because pupils take a lot of time on the way missing lessons .The water is usually dirty and we share it with animals . This mainly affects the healthy of the children at school. The teachers and the community at large. Hence causing absenteeism among pupils and teachers due to illness caused by
